Fiscal Analysis

ASSUMPTIONS:

1. This bill increases the statutory appropriation for emergencies and disasters from \$16 million to \$25 million.
2. It is assumed that there will not be any emergencies and disasters in the 2007 biennium that exceed \$16 million.

LONG-RANGE IMPACTS:

If during a biennium disasters and emergencies exceeded \$16 million, the Governor could address the issue up to \$25 million.
